

Landscape in Wales

PENTAX K-5 II s, 135.0 mm, 1/125 sec, ISO 80 | SMC Pentax 135mm F2.5 | CC-BY-NC-ND-4.0

This photo is from last year, when the UK rules were relaxed enough to allow some domestic travel, and we went to Snowdonia. We've been there quite a few times, and while we enjoyed it after months of lockdown, the weather was far, from gentle. This doesn't change the fact that the landscape is still fantastic.
