Alphabetical Order Dragon

I've found this in our puppet repository:

```
 #                         '      _,
 #                      #`-"-'/
 #                     #/    o (o
 #                    #/ __     '._
 #   ,_#_#           #/   /=/`-. _")
 #    '-.`#        #/   /=(_.. `-`.
 #        `#     #/   -.''`_`_
 #       ;   #   #/ '.___.'=_.'
 #       |    '-#;    _|====_
 #       ;       '   /`   `==|
 #              .            =|  /
 #         '-.._           // /__
 #            `)-.     `----._
