

Sony DD-8 Data Discman Electronic Book Player

RT @aliszewski I desperately want this Sony Data Discman from 1993. An e-reader that accepts floppy disks.

An advertisement for the Sony Data Discman Electronic Book Player. The device is shown resting on an open encyclopedia. Several CD-ROMs are scattered around it, some with labels like 'THE NEW COLLIER ELECTRONIC ENCYCLOPEDIA'. The Sony logo is in the top right corner. The text below the image describes the device's features and includes a contest announcement.
