

Anshun Bridge

PENTAX K-5 II s, 50.0 mm, f/4.0, 1/80 sec, ISO 400 | smc PENTAX-DA 50mm F1.8 | CC-BY-NC-ND-4.0

The Husband and Wife bridge that overlooks the river Min, with the Qinyan Tower in the back. Unlike most of my pictures, this was given a little contrast and color, since we had a hazy, late afternoon, when everything becomes a little too gray.

coordinates: 31.008, 103.607
