

Bath moment

PENTAX K-5 II s, 50.0 mm, 1/500 sec, ISO 100 | SMC Pentax-M 50mm F1.7 | CC-BY-NC-ND-4.0

Bath is an interesting city - it's unreal compared to the rest of England, out of place and feels truly ancient. (Not a big surprise, knowing that is still keeping the original, Roman street layout in the old town.)

This is just a small, everyday scene from there.

coordinates: 51.383, -2.358
