Fire Fairy by Szabina Fogarasi

Our friends from Mare Temporis asked my wife, Nora Hamucska, to take a few promotional pictures for them for their pretty awesome show, "The Prince and the Dragon" (A herceg és a sárkány).

I could not resist not to take a few photos myself.

I nearly never manipulate my images - in terms of Photoshop retouching, not as levels and color fixing -, but I had to remove some lights from the background; they were somewhat ruining the experience.
