

Hidden world - resting ladybird

NIKON D80, 0.0 mm, 1/20 sec, ISO 400 | 0mm f/0 MF | CC-BY-NC-ND-4.0

We arrived in Norra Lunsen, a natural reserve in Sweden - according to the local tourist information, it's the middle of nowhere yet it's literally on the edge of the city. After sitting down it only took a few minutes to notice all the small, living things around; like this little ladybird resting on a lichen covered branch.

coordinates: 59.797, 17.699
