

# Lumsdale Falls

PENTAX K-5 II s, 50.0 mm, f/11.0, 8 sec, ISO 80 | smc PENTAX-DA 50mm F1.8 | CC-BY-NC-ND-4.0

The more time you spend on shooting a picture from the same spot the less chance of a good image you'll end up with. Try to plan it first, imagine it in your head and don't make unneeded shoots, like I did when I tried to frame the waterfall.

coordinates: 53.141, -1.534
