

Norfolk Lavender - Late Lavender

NIKON D80, 0.0 mm, 1/125 sec, ISO 200 | 0mm f/0 MF | CC-BY-NC-ND-4.0

We reached the Norfolk lavender fields just before sunset, which gave us nice gradient backgrounds. If you ever plan to visit the lavender fields, do it in July; that is the time when they are the most beautiful.

coordinates: 52.907, 0.504
