

Sunset branches

PENTAX K-5 II s, 50.0 mm, 1/60 sec, ISO 1600 | SMC Pentax-M 50mm F1.7 | CC-BY-NC-ND-4.0

We took a small walk from our accommodation in Herefordshire, and the last bits of sunlight somehow came through nicely. I was also testing a new focusing screen in my camera to see if it helps with manual focusing; indeed it does, though my hands need to be steadier.

coordinates: 52.044, -2.53
