

# Trees - death of a pine

NIKON D80, 50.0 mm, f/4.0, 1/100 sec, ISO 800 | AF Nikkor 50mm f/1.8D | CC-BY-NC-ND-4.0

I've captured this in the Slovak Paradise and this is probably the only photo with the Nikon D80 that ever reproduced greens nearly at the same level a Fuji does.

coordinates: 48.84, 20.374
