

Up in the Sky 1

PENTAX K-5 II s, 53.0 mm, f/8.0, 1/800 sec, ISO 400 | HD PENTAX-DA 16-85mm F3.5-5.6 ED DC WR | CC-BY-NC-ND-4.0

Taking photos from an commercial airplane is hard, and I barely ever succeed. This time, probably above the Altai Mountains, I got luck and was able to take some slightly surreal views.

I modified some colour and contrast here; also cut some from the top, but the effect is due to the curved glass of the window.
