

A view from Idwal

PENTAX K-5 II s, | CC-BY-NC-ND-4.0

This isn't the first image I took from the same scenery, but this is the first panorama that is acceptable. At the Lake Idwal parking lot, there's a small road that leads into the mountains; the view is much better for a panorama, from there, than from the main road.

coordinates: 53.124, -4.021
